**ADVOCACY COMMITTEE REPORT- Patricia Karnes VP**

The Advocacy Committee continues their series of successful outreach meetings across the City, with a meeting on Friday, July 16th at the Pacific Beach Branch Library. Learn about current threats to retirees across California from Dick Wilken.

Patricia also noted that SDCERS new head, Mark Hovey would be speaking at the City Council Rules Committee on July 21st (not July 22) regarding the Council's interest in changing the City retirement plan document so Safety officers will not have to uniquely pay toward their disability retirements.

**HOSPITALITY COMMITTEE-**

Thanks to Burnie Gipson, Janet Wood, Jim Foley and Don Prisby for greeting retirees to today's meeting.

**LEGAL UPDATE- Dick Wilken, Director REA Board**

Dick reported Judge Barton decided the City does not owe SDCERS money. Settlement talks can start, but the City Attorney only is interested if the issues can be expanded. City Council needs to give direction.

Dick recommended REA's web link to MEA for information on PSC action. SDCERS can't put the real cost of some PSCs in the UAL. Keep tuned.... Joe Flynn added that SDCERS would be sued either by their members or the City.

**GRAND JURY REPORT- Joe Flynn, past SDCERS Trustee/ REA Board.**  
City bankruptcy re-appeared as an option in the Grand Jury Report. SDCERS Board will approve a response to the Grand Jury in August.
